The 2022 CASA Speaks for Kids Gala Committee Presents

In 2020...

350 volunteer Advocates served 680 children - that's every child in foster care in Montgomery County.

About 6 children enter the foster care system each week in our county.

We invite you to be a part of the 2022 CASA Speaks for Kids Gala – Escape to Paradise: A Night in the Tropics - on Saturday, March 5th, 2022. This year's event will be held at Margaritaville Resort on Lake Conroe and will feature an island-themed dinner and celebration, plus an after-party that will transport you to the Caribbean! In addition, every table sponsorship level and the top underwriting levels INCLUDE RESORT SUITES!

Our fundraising committee is hard at work and well on their way to planning a night to remember. We look forward to seeing you there.

Child abuse is devastating for the children who are victims, and to the community in which they live. Our Annual Spring Fundraiser provides CASA Child Advocates of Montgomery County with the funds needed to be the voice for these children who need someone to speak on their behalf. Through our fundraising efforts, we can help provide Advocates for the more than 600 children in foster care in Montgomery County this year. In Montgomery County, it currently costs about \$1,500 to provide an abused child with an Advocate for one year. Our event needs the support

of our Sponsors, Underwriters, and Auction Donors to succeed and reach our goal of continuing to provide Advocates for EVERY CHILD in need in our community. **Your involvement is the key to our success.**

Please consider committing to one or more of these opportunities presented in this packet. With your early commitment, we guarantee recognition in print, promotional materials, and media mentions according to your chosen level. Details are enclosed. Commitments must be received on or before **January 15th**, **2022** for you and/or your business to be recognized in our program.

Due to space limitations and in an effort to continue to prioritize the health & safety of our guests, we will be selling a limited amount of tickets to our event. Also, for the sponsorship levels including resort suites, there are a limited number of suites and these suites will be available on a first come, first serve basis. You don't want to wait to secure your table and suites!

Every day in our community, children are removed from their homes due to abuse and neglect at the hands of the very people who are supposed to protect them. You can ensure that these children have someone by their side, speaking up for their best interests, by helping us make this event our best one yet.

Together we can make sure Every Child Has a Chance!
