The 2025 Child Advocates Gala Committee Presents

In 2023...

258 volunteer Advocates served **454** children – that’s every child involved in the child welfare system in Montgomery County.

Since **1992**, our volunteers have served more than **10,000** children right here in Montgomery County.

We invite you to be a part of the 2025 Child Advocates Gala – Hope Grows, on Saturday, March 1, 2025. This year’s event will be at Margaritaville Resort on Lake Conroe and will feature cocktails, dinner, celebration, and an after-party featuring Two Tones Dueling Pianos. In addition, every table sponsorship level and the top underwriting levels **INCLUDE RESORT SUITES!**

Our fundraising committee is hard at work and well on their way to planning a night to remember. We look forward to seeing you there.

Childhood trauma, abuse, and neglect are devastating to the children who are victims and to the community in which they live. Our annual spring fundraiser provides Child Advocates of Montgomery County with the funds needed to support and advocate for children and families who need it most. Through our fundraising efforts, we can help provide an invaluable Advocate for the hundreds of children in the child welfare, juvenile justice, and truancy systems here in Montgomery County. We can also be a lifeline for the thousands of teachers, police officers, attorneys, judges, health care workers, foster parents, and families in desperate need of education, advocacy, and support as we ALL work to understand, care for, and give the victims of childhood trauma a brighter future.

In Montgomery County, it currently costs about \$2,000 to provide a child who has experienced trauma, abuse, or neglect with an Advocate. Our event needs the support of our sponsors, underwriters, and auction donors to succeed and reach our goal of continuing to provide Advocates and support for EVERY CHILD in need in our community. Your involvement is the key to our success.

Please consider committing to one or more of the opportunities presented in this packet. With your early commitment, we guarantee recognition in print, promotional materials, and media mentions according to your chosen level. Details are enclosed. Commitments must be received on or before January 15, 2025, for you and/or your business to be recognized in our program.

There are a limited number of tables/seats to our event, and this gala has sold out the previous three years. Also, for the sponsorship/underwriting levels that include resort suites, there are a limited number of suites, and these suites will be available on a first-come, first-served basis. You don't want to wait to secure your table and suites!

Every day in our community, children suffer from the effects of trauma, abuse, and neglect. You can ensure that these children have someone by their side, speaking up for their best interests, by helping us make this year's Child Advocates Gala our best one yet.

Together we can
give hope to children
and families in our
community!
