## **We are**

*Montgomery County's only court-appointed organization advocating for abused and neglected children*

## **Our Vision is**

*a concerned community where abuse and neglect is not tolerated and every child has the right to a safe, secure, enriching childhood*

## **Our Mission is**

*to provide and promote court-appointed volunteer advocacy so that every abused and neglected child can have the opportunity to thrive in a safe, nurturing permanent home*

## **Our Goal is**

*to provide a Court-appointed Advocate to serve as Guardian ad Litem for every child who needs us and break the cycle of abuse in our community, one child at a time*

## **Helping Children**

*CASA volunteer Advocates are appointed by Judges to watch over and advocate for abused and neglected children, to make sure they don't get lost in the overburdened legal and social services systems or languish in inappropriate group or foster homes. Advocates stay with each case until it is closed and the child is placed in a safe, permanent home. For many children their CASA advocate will be the one constant adult presence in their lives during this time.*
